Altalya- Turkey, April 26-28, 2012

Advisor: Prof. Ke-Chung Peng (Ph.D.)  
By: Anupong Wongchai (王傑) (P9922030)

May 16, 2012

## **3<sup>rd</sup> International Conference on New Trends in Education and Their Implications: ICONTE 2012**

**Altalya, Turkey on April 26-28, 2012**

ICONTE-2012 conference theme, New Trends in Education and Their Implications, is the challenge conventional practices and contribute to new ways of teaching and share the research findings on new trends in education and their implications. The main goal of this conference is to present and discuss new trends in education and to promote collaboration, discussion, and sharing of knowledge, experience and expertise on emerging trends in education.

ICONTE-2012 conference is supported by many universities and organizations and it has already formed a large, multi-national and friendly community of colleagues who would love to share ideas.

### **1. The objectives of this conference are to:**

- Present and discuss emerging theoretical perspectives and their practical applications,
- Establish a platform to share research findings to encourage the use of research to improve education,
- Promote collaboration, discussion and sharing of knowledge, experience and expertise.
