Conference Attendance Report

The Second International Congress of Interdisciplinary
Research and Development: INRIT 2012

Venue and Date:
Bangkok, Thailand, 31 May- 1 June 2012

Advisor: Wen-Chi Huang (Ph.D.)

By: Sudarin Rodmanee (李玉萍) (P9922027)

June 14, 2012

The Second International Congress of Interdisciplinary Research Development: INRIT 2012

IMPACT Exhibition Center, Muang Thong Thani, Bangkok, Thailand.

31 May - 1 June 2012

1. OBJECTIVES

- To share knowledge and advances in Interdisciplinary Innovations.
- To build networks of professionals, researchers, educators and policy-makers practicing Interdisciplinary Innovations.
- To expand the opportunity for knowledge interchange.
- To facilitate knowledge-sharing for ongoing initiatives.
- To build repositories of current practices and lessons learned.

2. THEME: Interdisciplinary Innovations

3. TOPICS OF INTEREST

Interdisciplinary activities are activities that involve interaction among two or more disciplines. Innovation is the creation of better or more effective ideas, technologies, processes, products, or services. There are many reasons why innovations are needed, such as for progression of human well-being, for economic growth, for competitive advantages, for higher business revenues, and etc. The topics of interest of this Congress are interdisciplinary innovations involving two or more of disciplines such as Arts, Biological Sciences, Biomedical Sciences, Business Administration, Clinical Sciences, Communications Sciences, Earth and Environmental Sciences, Economics, Education, Health Sciences, Engineering, Information Technology, Internet Technology, Material Sciences, Law and Legal Studies, Mathematical Sciences, Media and Journalism, Natural Sciences, Physical Sciences, Politics and Sociology, Psychology, Public Administration, Religious Studies, Social Sciences, Telecommunications, and etc. Any other related topic will also be considered.

4. SUPPORTING ORGANIZATIONS AND SPONSERS

- Thailand Chapter of the Internet Society
- Thailand Chapter of the Association for Computing Machinery
- Thailand Chapter of the Computer Society of the IEEE
